

# By-Lo Oil Company

## Executive Overview

HQ: Kimball, MI, since 1980  
Industry: Convenience Stores and Fuel Distribution  
Solution: PDI Workforce

## Business Challenges

- Lengthy, labor-intensive timeclock procedures required too much time from multiple personnel
- Overtime hours were unwieldy, not always visible, and hard to monitor
- Needed an improvement over paper-and-pen scheduling calendar

With Scheduler, By-Lo no longer has to use paper calendars, and they can now schedule workers 3-4 weeks out.

PDI Workforce helps companies control overtime and increase accountability.

## Customer Results

Easily change employee schedules with drag-and-drop interface

Helps manage and control overtime hours

Saves time with a clean, streamlined timeclock

Allows for scheduling multiple weeks in advance

The ease of it is phenomenal.
