

Pak-A-Sak

Executive Overview

HQ: Amarillo, TX since 1978
Industry: Convenience Retail
Size: 21 Locations
Solution: PDI Labor Scheduler

Business Challenges

- Lacked an efficient or accurate labor scheduler and was reliant on messy spreadsheets
- Experienced rapid growth resulting in the hiring of hundreds of employees across the Texas Panhandle
- Needed an effective employee management system

Dramatically
decreased
overtime costs

Stays below budgeted hours an average of 2.5 hours per week.

Customer Results

Tracked actual labor hours by site and employee

Implemented an employee loaner system

Minimized overtime costs by tracking budgeted hours

Staffed stores with an adequate number of qualified people

PDI Labor Scheduler has become a crucial part of our operation. We now save over \$31,000 a year with PDI. I'd definitely recommend this product to anyone.
