# PDI Automated Supplier Accounts Payable with Repay

Simplify and optimize supplier payments

Automate 100% of your supplier payments using electronic payment solutions and eliminate the headache of manual processes. Reduce your accounts payables costs by converting supplier payments to virtual credit card, ACH, or check.

All-in-one solution for supplier payments and accounts payable automation

Reduce costs of check printing and mailing while eliminating manual data entry for more accurate and faster payments. Generate rebates from virtual card supplier payments and reduce costs for ACH and physical check payments.
Secure & Compliant

Real-Time Visibility

Single Version of the Truth

Pay Faster, Everytime

Give your suppliers the ease and flexibility they desire with security remaining top-of-mind.
