

TRANSFER OF OWNERSHIP FORM

INSTRUCTIONS AND REQUIREMENTS: The Transfer of Ownership Form must be completed and signed by both the Seller and the Buyer.

By signing below, Seller assigns, and Buyer accepts and assumes, all rights, obligations, and liabilities of Seller's Agreement with PDI and Order for Services as it pertains to the Sites indicated below (the "Transfer") subject to the following instructions. If Buyer is a current customer of PDI, Customer may be required to sign an Addendum for Services not currently covered by Buyer's current PDI agreement. If the Buyer of the Site(s) is NOT a current customer of PDI Technologies, Inc. ("PDI") (as successor in interest to Cybera, Inc., EchoSat, Inc., or ControlScan, Inc.) which PDI already invoices, Buyer will be required to sign a Master Customer Agreement (MCA) and ACH form to continue Services for the Site(s). **Seller is responsible for all charges until PDI receives a completed and signed Transfer of Ownership form and all additional contract documents required by PDI from the Buyer, including but not limited to a completed MCA and ACH form for new PDI customers.** Monthly charges will not be prorated within a month or credited to Seller, but monthly charges will be billed to the new owner at the next billing cycle if all paperwork from the new owner has been received. If, by the next billing cycle, PDI has not received the necessary paperwork from the Buyer, Services will be terminated and the Seller will be liable for a final month of Services together with all early and other termination fees as specified in the Seller's Agreement for Services. In addition, any equipment not purchased by the Seller will be required to be returned to PDI. If Services have been terminated, the proposed Buyer does not assume the Seller's Order terms and will be required to sign an MCA and a new Order Form for a full subscription term for equipment and services.
